COMPETITION

Competition Rules

The 2023 ICF Canoe Slalom World Cup will be run in accordance with the 2023 ICF Canoe Slalom competition rules.

Athlete's Village

Athlete's village will include private tent for each participating team. Toilets will be available in the village.

Kayak Cross boat provision

The organising committee will provide 16 kayak cross boats along with spraydecks for the training and race period. More information on the boat rental will be available in the info office at the venue.

Internet Access

High Speed Wireless internet access will be available at the venue – the competition area, all office spaces, including ICF offices, Jury, Accreditation office and Media Centre.

Access pass and parking

Free access pass and car parking near the athlete's village will be guaranteed for up to two accredited vehicles.

Official video service

Technical video signal will be provided during the competition days and all demonstrations runs. Only a download solution will be available. Each national tent will be equipped with their own download cable. Each NF needs to bring its own 20m LAN cable.

Boat storage

Boats must be stored in a boat storages inside athletes vilage. If boats are not in the boat storage they will not be watched by the security crew.

First aid

A small tent with first aid will be located in the finish area. The NF will advise all participants that emergency medical services will cover only emergency cases and that all participants are responsible to arrange medical insurance policy at their own cost.

Water safety

Rescuing in the competition area will be organised during the competition days.

Medical Insurance

Organising Committee kindly asks all participants of the 2023 ICF Canoe Slalom World Cup race to ensure medical insurance policy in their respective countries. All costs above the regular first aid and ambulance services are to be covered by this medical insurance policy. Organising Committee will not cover any expenses in connection with hospital treatment.

Doping control

Doping control will be performed in accordance with the ICF Anti-doping requirements and WADA standards.

ANTI-DOPING EDUCATION PROGRAM

All athletes, coaches, and support personnel must have completed the relevant anti-doping online course on the WADA Anti-Doping Education Learning platform (ADEL) corresponding to their role. The certificates showing completion should be sent by each National Federation to suenatoli@gmail.com. Previous certificates are still valid for this season. There is no need to repeat the program unless the persons role changes (e.g. athlete becoming coach) Accreditations will not be issued until the certificates are marked off.

More information at: <https://www.canoeicf.com/anti-doping-education>.

ACCESS AND TRANSPORT

Teams should provide their own transport of competitors and equipment. Teams which would require assistance with transportation from the airport to the venue and vice versa can gain necessary information from the organiser. Transport provided by the organiser will be extra charged. Please note, Ljubljana Jože Pučnik Airport – Brnik (Slovenia) is the official airport of the competition.

ARRIVING BY CAR

Slovenia has a good road infrastructure. Ljubljana is located at the crossroads of the country's most important road routes. For driving on motorways, it is mandatory for you to have a vignette (including the motorway ring road around Ljubljana). More information about the vignettes: <https://evinjeta.dars.si/en>

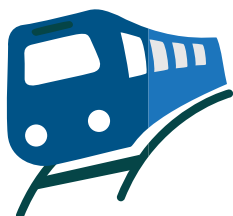

ARRIVING BY BUS

Buses run to Slovenia from many European cities.

More information:

www.ap-ljubljana.si/en/international-travel/

ARRIVING BY TRAIN

Trains to Slovenia run daily from many European cities. There are only the trains of Slovenian Railways running around Slovenia, with all the timetables and price lists published on the websites. You can buy a ticket at every railway station as well as on the train. Slovenian trains stick to the timetables.
