Anti-Doping Education Programme

All athletes, coaches, and support personnel must have completed the relevant anti-doping online course on the WADA Anti-Doping Education Learning platform (ADEL) corresponding to their role. The certificates showing completion should be sent by each National Federation to suenatoli@gmail.com. Previous certificates are still valid for this season. There is no need to repeat the program unless the person's role changes (e.g. athlete becoming coach).

Accreditations will not be issued until the certificates are marked off.
