DEADLINES, ENTRIES, AND REGISTRATION FOR NATIONAL TEAMS

ATHLETES VILLAGE

Sports Center Denmark will be created as a temporary campus for all teams and participants where everything an athlete needs or desires is gathered in one place.

COMMUNITY AND COMMUNITY DINING

In the VM Village you have the opportunity to meet the other participants. We furnish some areas only for the participants. Here you can network and exchange experiences. .

The hall will be decorated in a Viking theme and will be live streamed on a big screen from the Lake Jels.

An important aspect of the athletes village is not confined to being where participants sleep and eat. This is a canoe-village for a week where we can offer a broad selection of activities athletes and coaches alike can enjoy with their fellow-canoeists.

SPA AND WELLNESS

There is the opportunity to go for a swim in the pools, treat yourself to a visit in the wellness center, or just hang out in one of the lounge areas adapted specifically for athletes.

There will be point-to-point shuttle service between the Athletes Village and the venue in Jels. It is a 20 minute drive and we will have the shuttle service organized with extra buses during peak hours.
