WORLD-CLASS DOWNWIND. ONE INCREDIBLE ISLAND. 🌊🔥

Réunion Island offers some of the most exceptional paddling conditions on the planet.

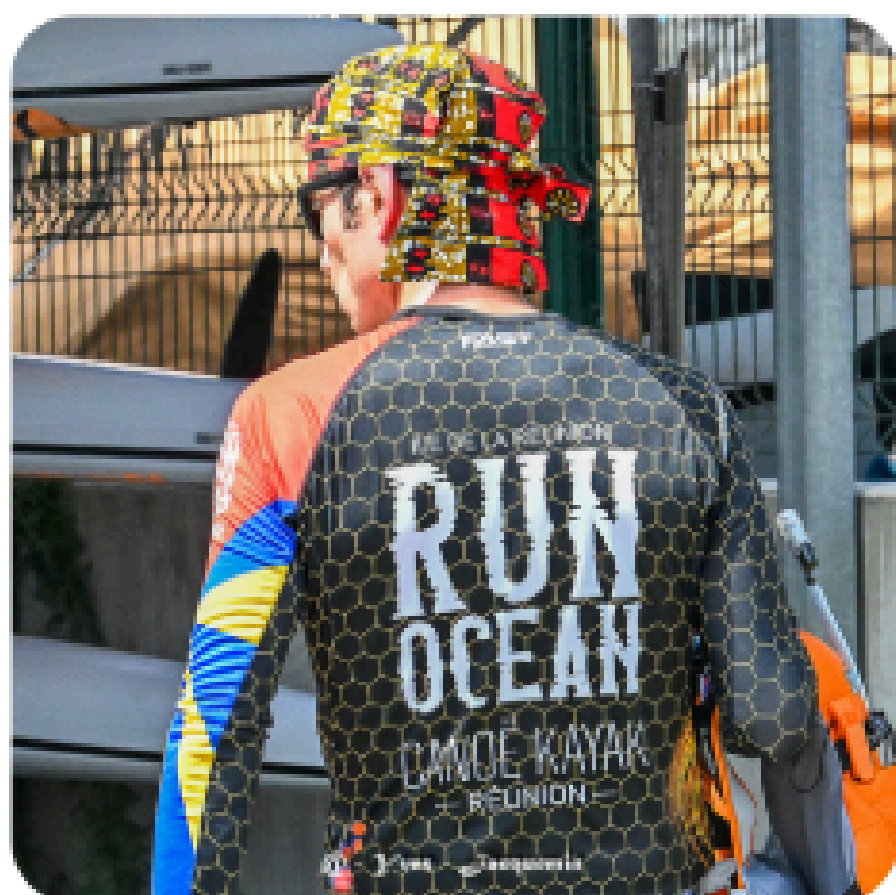

With a flexible program that follows the best conditions around the island, we go where the wind and swell are — giving paddlers the best possible chance to experience unforgettable downwind runs.

And downwind is for everyone.

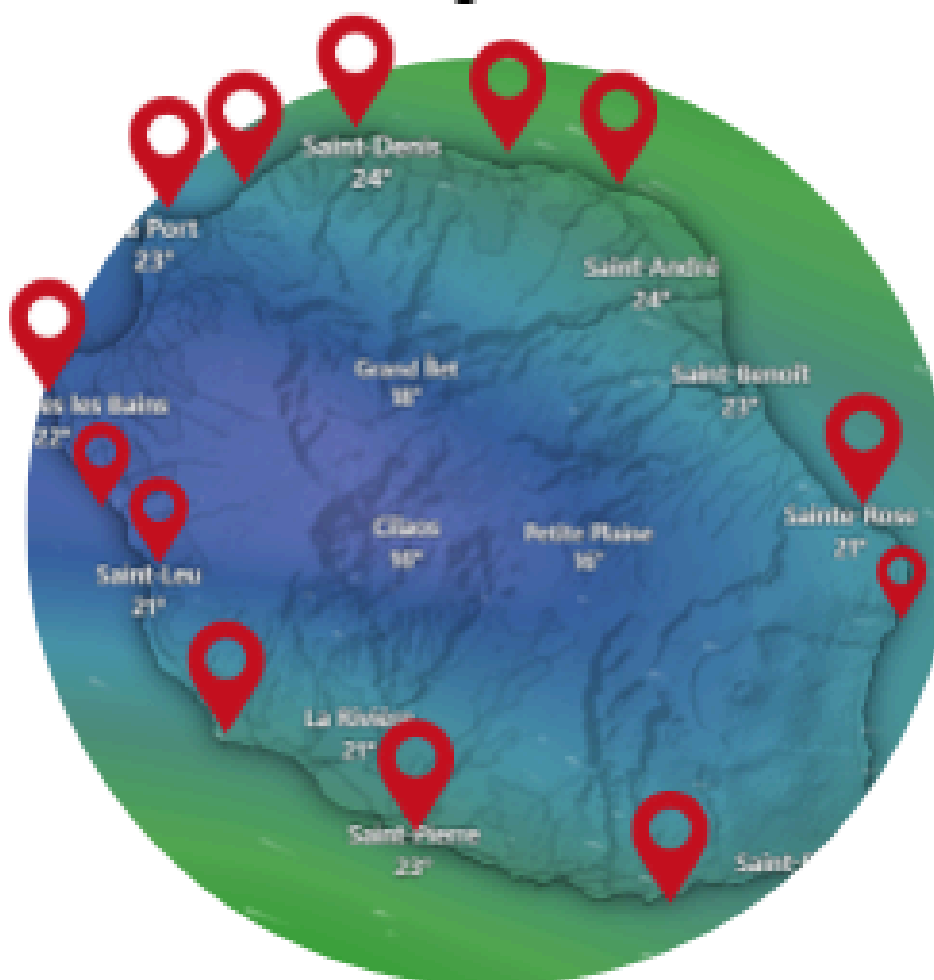

Our innovative Downrider program makes open-ocean paddling accessible to U15 paddlers and beginners, with safety at its core. Experienced coaches are on the water with the group, providing guidance, advice and support throughout the session.
